Keith presented the minutes of the June 4, 2023 AGM. Subject to a minor spelling correction,

Motion to accept proposed by: Vinit Kudva

Seconded by: Richard Pound

Accepted unanimously

#### 4. Chairman's Annual Report

Keith Flavell reviews the 2023 annual report.

- He noted that regional reports had not been collected yet, but would be circulated as soon as received

- The committee established to explore means of reducing the costs of hosting future Jesters tours, chaired by Kim Watson, had met during the year and presented proposals to the National Committee. Among them was a proposal for a 1-year dues holiday for the regions to allow them to replenish finances after the 2022 tour. It was noted that this was not meant to set a precedent for future years when tours visited.
- Significant events, as always, were the Jesters Tour to South Africa in September 2023, as well as the just-completed Lapham Grant matches in Vancouver. More on these events to follow.

## 5. Financial Statements for the fiscal year 2023 (Hugh Woolley)

- Hugh Woolley, Treasurer, presented the Financial Statements. He noted that cash in the bank was unusually high at over \$70,000. Among other reasons, this was due to the 75<sup>th</sup> Jesters Jubilee and the 100<sup>th</sup> Lapham Grant not only returning the full amount of \$50,000 committed to them, but even returning an additional \$3,000 in profit.
- Of the \$10,000 showing as a commitment to Atlantic Canada, \$5,000 had been paid in early 2024 so only \$5,000 remained on the books.
- He also confirmed that the regional dues holiday was shown in the 2023 financial statements.
- Ed Bracht asked if the cash could be invested in some form of securities in order to generate some income; Hugh responded that because the Jesters Club was unincorporated, the bank was very reluctant to allow any new investment transactions.
- A discussion ensued as to whether the Club should actively look at incorporating, given that financial institutions were increasingly strict about the ownership of accounts, and the advantages and disadvantages of doing so.
- A motion was brought forward to form a committee to consider and recommend whether the Club should incorporate or if any other steps should be taken in this regard.

Motion to form a committee to consider incorporation: Cathy Tuckwell

Seconded: Carolyn Roper

Motion unanimously approved

## 6. Jesters / Squash Canada Proposal

- Keith outlined a proposal that had been brought forward by Squash Canada for the Jesters and Squash Canada to work together on a coordinated program to encourage and grow post-secondary squash participation. Using Jesters financial support and existing Squash Canada infrastructure, and coordinated by

a dedicated Squash Canada resource, the idea was to encourage wider participation, both individually and through university or other post-secondary schools, in national, regional and local squash events. The initial proposal provided for a 3-year commitment of the National Jesters of \$10,000 per year, and of each regional Jesters committee of \$2,000 per year.

- He noted that a committee of Jesters, representing all regions, would be set up to work with Jamie Nicholl's team at Squash Canada to develop more specific recommendations and make sure the program smoothly integrated with the ongoing programs and the financial needs and capacity of each region.
- Keith opened the discussion for questions. Numerous valuable questions and comments were received and discussed. Among other comments, it was emphasized that the program needed to be designed in each region so that it did not duplicate existing events and to recognize that different regions would have different existing situations and financial resources, that an important emphasis should be on reaching out to players at the grass roots level (ie. beyond schools or programs that already had organized squash activities), and the importance of ongoing communication.
- Keith thanked all participants for their valuable input. Kim Watson noted that she would also take this feedback directly to Squash Canada, where she served on the Board of Directors.

## 7. Lapham – Grant matches

- The 2024 Lapham Grant matches were just played in Vancouver. On behalf of the Jesters, Keith thanked Cathy Brown, Chair of the event, and her entire team for the tremendously successful event.
- The 2025 Lapham Grant will be held in Boston, MA, in April 2025. Keith noted that Rob Birrell had accepted to be the Lapham Grant captain, and that a decision on the Crawford and Lawrence Wilkins captains should be expected shortly.

## 8. Jesters Tours

### 2023 Tour of South Africa

- Kim Watson (captain of the Canadian touring team) provided a report on the September 2023 tour of South Africa. She described an extraordinary tour, noting that in addition to squash the team had played considerable amounts of padel and squash doubles (on the singles court). Kim advised that a written report/photo album was in the works.

### In-Bound 2024 Tour of the English Jesters

- The UK Jesters would be visiting Canada in the fall of 2024. A team of 7 players was expected, and under the national coordination of Phil Quintal the team would be touring the country from west to east.

### **9. Election of Executive Committee members**

- Keith presented the rota of proposed Executive Committee members had been circulated for approval.

Motion to approve: Peter Reimer

Seconded: Carolyn Roper

Unanimously approved.

- Keith noted that there were currently two vacancies on the Executive Committee. If filled, they would serve on an interim basis until approved at the next AGM.

*(Note: subsequent to the AGM, Cathy Tuckwell (Ontario) and Lester Jinks (Atlantic) joined the Executive Committee)*

### **10. Other Business**

- Ed Bracht noted that in 2027 the TCSCC would be celebrating its 200<sup>th</sup> anniversary, and that the Jesters (individually or collectively) might consider organizing an event to commemorate this anniversary. Karen Levine added that the BC Jesters' summer event was being held from July 12-14, and there was an open invitation to anyone to join in the festivities.

There being no further business, at 8:14pm

Meeting Adjourned.

## Message from Ray Bertrand

We are excited to begin planning our teams for the 2026 Lapham Grant, Crawford, and Lawrence Wilkins events in Montreal, Quebec, (April 23, 2026 through April 26, 2026).

The Lapham Grant Matches consist of competitions for the Lapham Trophy (Men's singles), the Grant Trophy (Men's doubles), the Crawford Cup (Women's singles and doubles) and the Lawrence-Wilkins Trophy (Men over 65 years of age). We have a full weekend planned with matches starting **Thursday evening**. Therefore players should plan to arrive on Thursday in Montreal. (yes... a special incentive will be granted to those Thursday players - more to come on that!)

It is a tradition that the captains cooperate to make sure that their teams are balanced, and that matches are played in an atmosphere of camaraderie, goodwill, and sportsmanship. Matches are not refereed, therefore the highest standards of fair play are essential among participants.

This grand social event has many unique traditions, including the Friday evening Captains' reception and a Saturday night black-tie banquet.

As usual, demand for a spot on the Canadian team is high. We ask that you respond to this expression of interest form by Dec 19, 2025. We plan to start sending invitations in early January so that attendees have plenty of time to arrange travel to La Belle Provence. We appreciate your patience as we work towards building a lineup that broadly represents Canadian squash – and is both competitive and social in nature.

Registration fees are estimated to be between \$500 and \$550 per player, but subsidized for players under 30 years of age. The fees are to be confirmed, but will include ample food and beverages throughout the weekend. In addition, the host committee in Montreal will also be securing a block rate at local hotels that are conveniently situated near the venues. Travel and accommodation will be at each player's expense.

Current event details are being ironed out, but you can rest assured the festivities will be merry and include, but not limited to, the following with the Atwater Club being the title host club:

- Thursday evening opening matches (4 total matches) and welcome reception off-site grand pub oddly anxious and ready to host the two competing nations.
- Friday match play (Atwater Club and McGill)
- Friday night post-matches dinner and drinks event (Atwater club)
- Saturday match play (Atwater Club and McGill)
- Saturday night black tie dinner with awards, libations and live music
- Sunday AM post-match awards breakfast and good-byes

Lawrence Wilkens Captain - Michael Martin - [MMartin@colby-monet.com](mailto:MMartin@colby-monet.com)

**Atwater Club, Montreal April 23-26, 2026**

**Expression of Interest to play:**

NAME: EMAIL ADDRESS:

TELEPHONE NUMBERS: Cell: Other:

PLAYERS FEE: Approximately \$500-550 (Payable only upon receiving official invite)

**I am confirming my interest in playing for Canada in the 2026 Lapham Grant.**

**I understand that this expression of interest indicates my willingness to play and does not necessarily mean I will receive an invitation.**

**Confirming interest in either:**

Lapham Grant [ ] Lawrence Wilkins [ ] Crawford Cup [ ]

**I would like to play: Doubles Only: \_\_\_\_\_ Wall (R or L or B of both): \_\_\_\_\_**

**Singles Softball Only \_\_\_\_\_ Doubles and/or Singles \_\_\_\_\_**

Demand for this event is very high and the purposes of this form are to identify who is available and interested in playing, but also to ensure that as many players as possible know of the event and have the opportunity to apply. Skill, enthusiasm, involvement and contribution to the development of the game of squash are all key factors in the selection process.

**Please fill out this form and return it via email to: Ray Bertrand, Montreal 2026 Canadian Lapham Grant Captain: [raybertrand6363@gmail.com](mailto:raybertrand6363@gmail.com)**

Personal rate of return reflects the total percentage return earned on the investments held in your account. Total percentage return means the cumulative realized and unrealized capital gains and losses of an investment, plus income from the investment, over a specified period of time, expressed as a percentage.

Personal rate of return is calculated using a money-weighted methodology. Unlike alternative rate of return methodologies, it takes into account any deposits or withdrawals you have made, and the performance outcomes of your investments over a specified time period, net of fees and charges paid. Rates of return are provided on an annualized basis except for any returns reflective of a period of less than one year.
