## PRESIDENT'S MESSAGE

**A**t our Annual General Meeting last fall, individuals volunteered to join Tom Nederpel to establish a succession plan, develop governance guidelines and assist in developing a more widespread program of activities. On your behalf, this newly formed Ontario Executive Committee has been meeting over the past several months. A new set of officers is now in place to support the Chair. At our meeting on May 31 we elected the following

individuals to a term of no more than 3 years.

- Cass Quinn: Chairman
- Ed Bracht: Treasurer
- Michael Hobart: Secretary
- Murray Christison: Events Coordinator
- Ron Aldridge
- Frank MacKay
- John Boynton

The development of a succession plan and the transfer of information has been underway, with the official handoff to be formalized at our Annual General Meeting on

September 16. During this executive transition year in Ontario and the changeover at the National level, we will defer any proposals for new members until next year in order to carefully formulate an appropriate process of nomination and election of new members.

The National Committee now consists of:

- Barry Grant: Past Chairman
- Michael Jackson: Chairman
- Tom Nederpel: Vice Chairman & Treasurer
- Ernie Pilsworth: Secretary

- Marc Lalonde: Atlantic Region Chairman
- Kerry Martin: Quebec Chairman
- Cass Quinn: Ontario Chairman
- Tim Bale: Pacific Region Chairman
- Mike Letourneau: Western Region Chairman

The original guidelines for the Canadian Jesters will be reviewed and updated as determined by this group in order to give us a clear understanding of the mandate of the Jesters Club.

*-Tom Nederpel  
President*

## 75TH ANNIVERSARY TOUR TO THE UK

Over 200 Jesters including a strong contingent of Ontario Jesters were on hand in England from July 2nd to July 10th to celebrate the Jesters' 75th Jubilee.

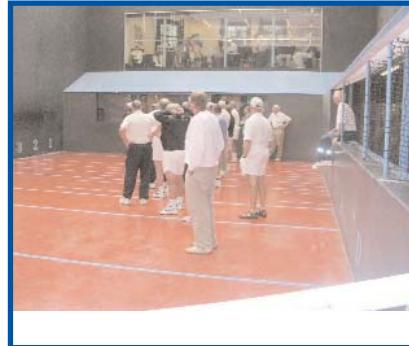

The first three days were spent in

Cambridge playing various sports and social activities including a dinner dance on the Saturday night. Accommodation was at St John's

College and the dinner dance at Kings College.

The formal events held during the

week included several cocktail parties, a golf tournament, squash and real tennis. Those who were fortunate to play at Wimbledon had a truly memorable day.

The highlights were the annual dinner at the RAC and the final day at Queen's Club featuring lawn tennis, racquets, real tennis and a magnificent dinner.

It is difficult to express the hospitality we received as not only were most of us billeted with fellow

Jesters but the organization and willingness of our hosts to cater to our needs was quite incredible. We will never be able to thank them enough as the memories will last a lifetime.

*- Murray Christison*
