## **Jesters Website**

The final draft of the Canadian Jesters Website is complete! The website will unify the Canadian Jesters Club across all regions, streamline communication, and offer a dynamic platform for members and administrators.

Ontario Jesters are encouraged to test drive the site and give feedback.

Password uses 2 factor authentication (set your password from user dropdown menu – forgot password)

## **Save the Dates**

Christmas Luncheon/SantaPalooza and Spring Party 2026 dates to be coming soon.

## **Manitoba Jesters**

Iain Crozier (the one and only) is the new chair of the Manitoba Jesters. To kick things off and get the group engaged and excited about what it means to be a Jester, he would love to coordinate hosting a group of 12 or so ON Jesters to do a home and away series with MB. We'd love to kick it off with hosting during a cold weekend in Winnipeg (Jan 16-18) where we can showcase all the cool, weird and different things in Winnipeg. They would look to get a box at the arena for the Jets/Leafs game which would be a lot of fun for everyone. Please contact me if you are interested.

## **Other Items**

- Jay Nash completed hosting his 17th year of the NASH Cup. Congratulations Jay!
- Ontario Jesters Under 35 Doubles is the October 31st long weekend hosted by TRC and always has some Jesters representation present (Scott Stoneburgh has aided for a long time as well as many sponsors like Namsoo Oh, Cam Weir, etc.).
- Stay tuned for dates about the 100th anniversary of the Jesters hosted in the U.K. which promises to be an incredible trip!

All the best

Alex Carter

Co-Chair of the Ontario Jesters
