

What's Happening

South African Tour visits Toronto

As we broadcast to you earlier, after a Covid delay we were finally able to host nine South African Jesters as they passed thru Toronto as part of their 19 day cross Canada tour. They left an indelible impression of not only their squash and drinking ability but also their genuine interest and involvement with the game of squash. Four action packed days had them playing three matches at the Cricket Club, B&R and TRC clubs, and included an all day excursion to Niagara Falls (including wine tour) and a Blue Jays game (who unfortunately lost 11-0).

A huge shout out to Captain Alex Carter for organizing this epic event and the Jesters who billeted players (Tim Bovaird, Rob Warden, Alex Carter, Mike Hobart, John Frederick, and Derek Riley) and also to Robin Clarke and Eric Baldwin for arranging the matches at their clubs. A highlight was playing platform tennis, badminton, pickle ball and squash at the B&R, and the fabulous plated lunch at the TRC. Also kudos to Norm Crook for arranging the Blue Jays suite, Jim Bruce for the Niagara tour, and Bob Ferguson for organizing and Ward Meek for hosting a lovely BBQ dinner. We can't make this type of event happen without your support and it is much appreciated. And the South Africans loved it.

Two more years until a U.K tour arrives!

Cheers – Derek.
